Dear Ms. Mitchell

On behalf of myself and the Hawkins family, I would like to take this opportunity to express our sincerest appreciation for your services at Dynasty Financial Consulting. Corresponding and working with my mortgage company on my behalf, has led to a successful loan re-modification.

I have had some hardship with income loss with-in the last two years and have hired, worked with other companies, including NACA, with no success. My anxiety levels were at a point where I found it very difficult to stay focus.

Although my stress levels have become somewhat intolerable with my financial status, I still had a level optimism. However, I had need of specialized support which you have personally serviced with myself and kids beyond expectations.

I would like to express my appreciation for the remarkable services rendered by you. It is through your unwavering professional support that we are able to remain in our home. Thank you!

Hoping all the best for Dynasty financial Consulting, Inc.

Sincerely yours

Yvette Hawkins
